

FindWay Hydraulic Source Co.,Ltd.

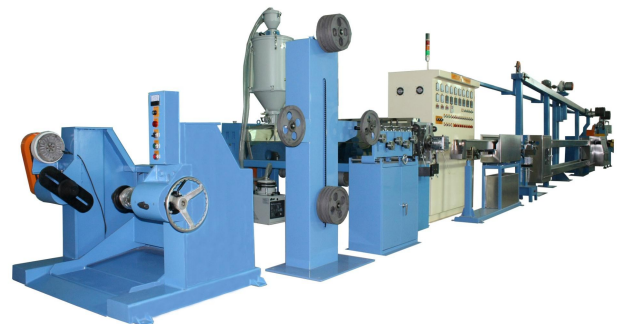

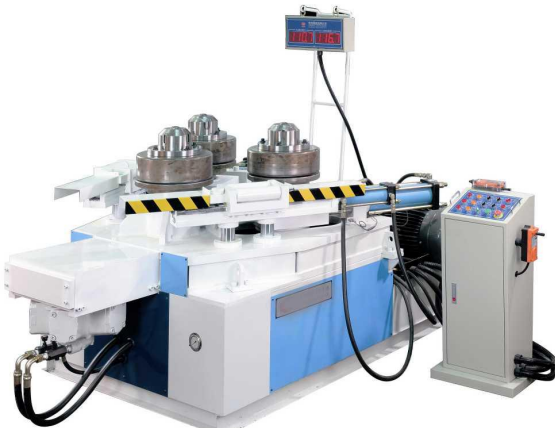

Leading Supplier in Piston Pumps & Motors

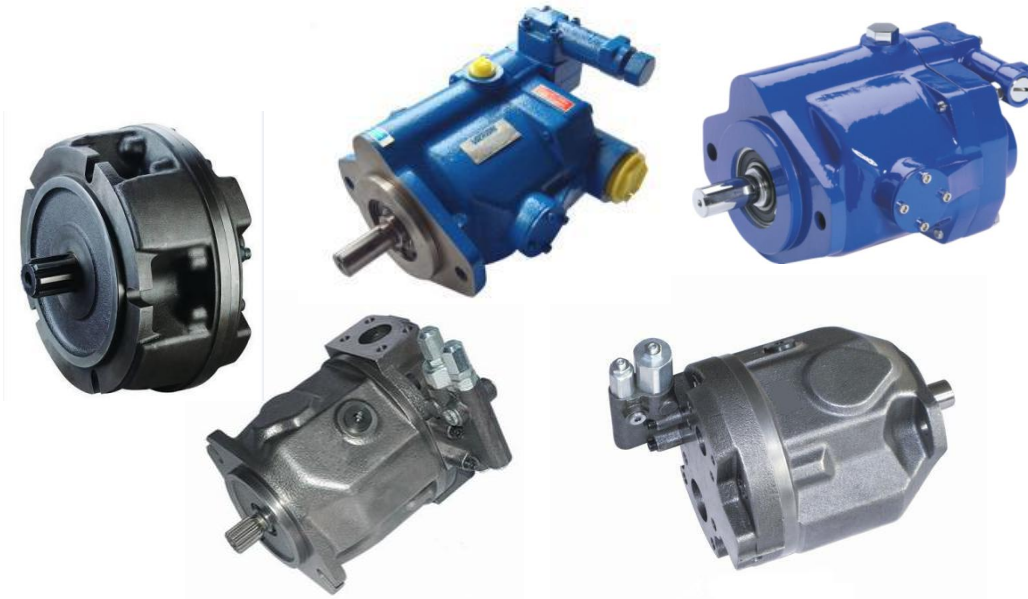

Hydraulic Solutions for Industrial Applications

Plastic Injection Molding, Bending, Extrusion, Forming, Nibbling,
Shearing, Spinning, Tire Presses Machinery

Your reasonable supplier of Pumps & Motors.

Findway Hydraulic Source carry a wide variety of reman & aftermarket piston pumps & motors from a variety of manufacturers including Rexroth®, Kawasaki®, Sundstrand®, Eaton®, Vickers®, Denison®, Parker®, and many others. Both our reman and aftermarket units are built with parts that meet or exceed OEM spec and are fully tested before they leave our facilities.

Why you choice us:

1, We stock and support a long list of manufacturers hydraulic components like Piston pumps & motors, that are commonly found in today's industrial application equipment.

This support includes reman units and aftermarket units that deliver OEM level performance, high quality replacement parts and first-class repair services

2, Due to our vast inventory and capabilities, we are sure to have the units and parts you need most, available in stock - ready for immediate delivery from our stock shop to the

worldwide.

3, All units, remanufactured and repaired, are tested before

leaving any of our facilities. This ensures your unit is

set to OEM specifications and will deliver OEM level performance. We are so confident in

the quality and reliability of our products and services that we back them with an industry

leading warranty: 18 months from the

time of purchase, 12 months from the time of install.
